

MANAGE BILLING WITH AAA LOGIN

Visit angusonline.org to enter your member code.

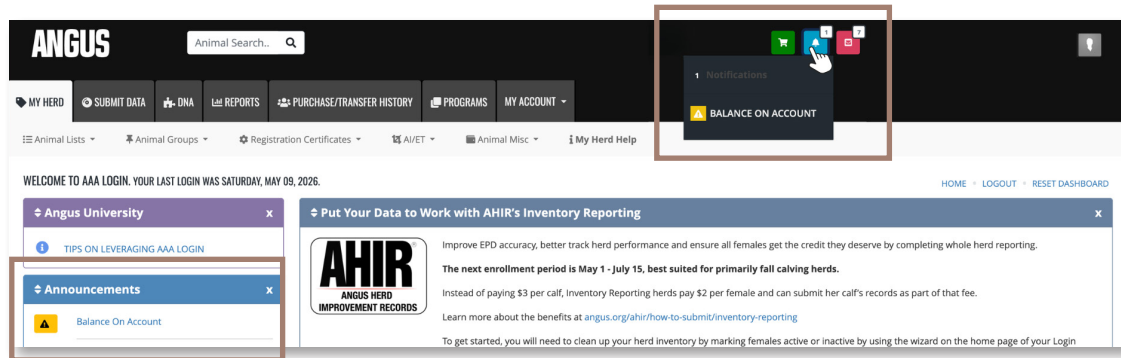

My Account

In AAA Login, the My Account tab is your hub for managing your Association, AGI® and Angus Media (API) business. Under the My Account tab you can access your work history, pay a balance, manage your preferences and update account information.

NOTIFICATION OF AN OUTSTANDING BALANCE

If you have an outstanding balance, along with an email sent to the address on file, a notice will appear in both Announcements and Notifications in Login.

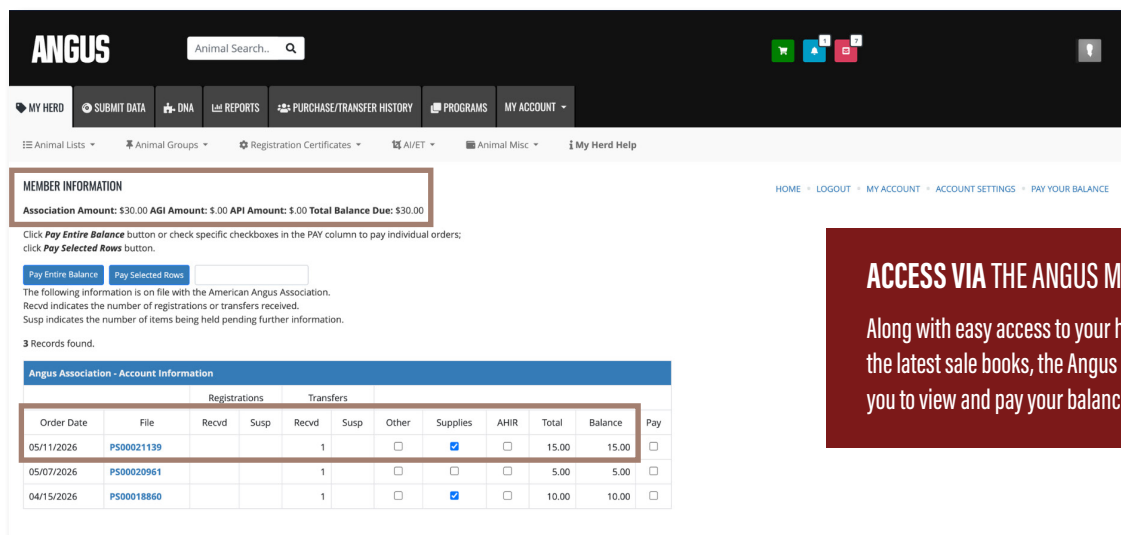

Announcements can be found on the left side of the home page. **Notifications** are located in the upper-right under the blue bell icon.

VIEW YOUR BALANCE

From Announcements or Notifications, you will be able to follow the link to the **Pay Your Balance** page of Login. You can also find this page under the My Account tab.

On this screen, you will see the outstanding balance broken down at the top of the page by Association, AGI and Angus Media. The table below shows each order submitted, the type of work included in the order, the total cost and the remaining balance.

ACCESS VIA THE ANGUS MOBILE APP

Along with easy access to your herd inventory and the latest sale books, the Angus Mobile App allows you to view and pay your balance from anywhere.

PAY YOUR BALANCE

On the **Pay Your Balance** page, you can choose to pay the total balance across all entities or, from the table, choose to pay one or several individual work order balances by checking the box in the pay column.

PRINT YOUR INVOICE

Invoices can be printed from Login to accompany a check payment mailed to the office.

Click on the file number for the corresponding work to access the print invoice option.

You can then click one of two blue buttons to **Pay Entire Balance** or **Pay Selected Rows**. This will take you to check out.

From check out, you can choose to **pay by credit card or linked bank account (ACH)**. Saved payment methods will be available to choose from. If using a new payment method, you can choose to save the information for quicker check out in the future.
