

Minix Stockman Contest

The stockman contest is open to all NJAA members who participate in the judging contest, quiz bowl written exam, and the Skill - a - Thon. This contest is designed to highlight the efforts of NJAA members participating in multiple contests.

DETAILS

Juniors will be automatically entered in the Stockman Contest if participating in the judging contest, quiz bowl written exam and the Skill-a-Thon.

Beginning in 2022, the contest has been renamed the Minix Stockman Contest in honor of the late Ed and Wilma Minix of Black Witch Farm, Athens, GA. The Minixes were passionate about supporting youth involved with livestock and helping them become leaders in the agricultural industry. Through their planned giving, a portion of the Minix estate was given to the Angus Foundation to benefit youth who participate in the Stockman Contest.

Only the top individual in each age division will be recognized. Each winner will receive a belt buckle, as well as cash awards; \$750 - Senior; \$500 - Intermediate; \$250 - Junior.

WHO CAN ENTER

HOW TO ENTER

Exhibitors will be automatically entered if participating in all three required contests.
